- Please check this box to signify that your Clubhouse has received the Clubhouse Profile Questionnaire (CPQ) from the Program for Clubhouse Research (PCR), and will submit it to the PCR within the current calendar year. (If you do not have the CPQ please contact Colleen McKay Colleen.McKay@umassmed.edu).

Note: The Clubhouse Profile Questionnaire is a research survey that is critical to the growth and sustainability of both the international Clubhouse movement and each individual Clubhouse. Our ability to attract increasing support for the Clubhouse model will require us to provide data that substantiates successful Clubhouse outcomes. We need all Clubhouse International Clubhouses to contribute their Clubhouse information to this valuable database. Thank you!
