

2020 CANADIAN CLUBHOUSE CONFERENCE

rays of hope

CREATING THRIVING CLUBHOUSE
COMMUNITIES IN CHANGING TIMES

7th Canadian Clubhouse Conference November 8-11, 2020 ♦ Toronto, ON

Progress Place is delighted to be hosting the 7th Canadian Clubhouse Conference which will offer opportunities to inspire, learn, and share new ideas while enjoying the sights of Toronto.

5 Great Reasons to Join Us

- **International Clubhouse Experience Close to Home** - Toronto is a 90-minute drive from the US border and within a 5-hour drive from many US clubhouses.
- **Clubhouse Expertise** - Progress Place is an International Training base and one of the largest clubhouses in the world. Many US and European clubhouses have trained here. Some conference activities will take place at Progress Place.
- **Accessible and Vibrant Location** - The Courtyard by Marriott Toronto is located in the heart of Toronto's bustling downtown, the best area for visitors and a short transit ride from two International Airports.
- **Affordable** - Toronto is affordable for visitors from the US. The US dollar typically converts to approximately \$1.30 Canadian dollars.
- **Must-See Travel Destination** - National Geographic Traveller magazine named Toronto one of the top seven cities to travel to in 2019. Toronto is the 4th largest city in North America and one of the world's multicultural and safest, offering an amazing array of interesting activities and neighbourhoods to explore.

Conference Highlights Include:

- Strategies for Successful Employment Development/Management in Changing Business Environments
- Creating a Warm Welcome to Enroll and Support New Members
- Integrating Wellness Throughout the Clubhouse
- Growing and Strengthening Clubhouses Through Broader Community Partnerships and Collaborations
- Innovative Ways to Invigorate and Animate the Work-Ordered Day
- Designing an Attractive and Engaging Clubhouse for Young Adults
- Best Practices and Creative Approaches to Supporting Education in the Clubhouse
- Using Data to Make Smart Decisions and Boost Clubhouse Performance
