STEPPING STONE, AUSTRALIA REOPENING VIDEO

[Click here](#) to view a six minute video prepared by Stepping Stone, Australia, with lively footage of their Clubhouse in these early days of reopening. You can see how they have arranged space, and what the Clubhouse might look and feel like in these early days of returning to the building.

Please send us any successful tips and strategies your Clubhouse community has discovered in these early days of re-opening our Clubhouses in so many parts of the world.

We will share these with other Clubhouses looking for guidance!

Stay healthy, stay safe!
