**CLUBHOUSE RESPONSE TO COVID-19 IMPACT SURVEY**

Between April and June 2020, 310 member Clubhouses were invited to provide feedback about the essential needs and actions of Clubhouse communities during the pandemic. [Click here for a summary of the important findings](#) of this extensive Clubhouse survey!

**LOOKING FOR A NEW FUNDRAISING STRATEGY FOR YOUR CLUBHOUSE?**

Creating Community: Changing the World of Mental Health

## CLUBHOUSE INTERNATIONAL UPDATES:

- Clubhouse International has extended Accreditation expiration dates for one year (for all reports received prior to June 10<sup>th</sup>). *Clubhouses will receive new Accreditation certificates reflecting the revised expiration date within the next few weeks.*
- In light of the significant accommodations most Clubhouses have had to make to adhere to Covid-related safety measures, we have revised the Accreditation self-study template to ensure that Clubhouses can accurately describe their current situation. Clubhouses on the upcoming Accreditation schedule will receive the revised self-study template.
- We are organizing Zoom calls with Clubhouses in various countries, regions and coalitions across the world. We are eager to learn about how the Clubhouse community continues to organize and innovate to provide vibrant Clubhouse supports to members, even in the midst of the challenges posed by the continuing pandemic. Your work is inspiring and we want to share your great ideas and strategies with other Clubhouses around the world!
